

# Disclosure 1 - Public Information

## **LICENCE STATUS AND CONDITIONS**

GSI Insurance Brokers (Auckland) Ltd (FSP34642), GSI Insurance Brokers (Christchurch) Ltd (FSP653692), and GSI Insurance Brokers (North Canterbury) Ltd (FSP733391), trading as GSI Insurance Partners holds a transitional financial advice provider licence, issued by the Financial Markets Authority, to provide financial advice.

It is a condition of our licence that we, together with any person giving advice on our behalf, can only provide advice on general insurance products. Our licence requires us to comply with all financial market conduct regulations, keep records of all financial advice, and have an internal processes for resolving client complaints.

## **NATURE AND SCOPE OF FINANCIAL ADVICE SERVICE**

We engage financial advisers to provide financial advice on general insurance products on our behalf.

These are policies that insure your personal or business assets or protect you or your business assets, liabilities and business income.

We are not able to provide advice on medical or life insurance, or any other Financial Advice products, but are able to refer you to associates who are licensed to provide advice on such products.

We have access to most insurance markets in New Zealand (excluding direct Insurers) along with access to overseas markets as required.

A list of the types of general insurance we can provide financial advice on can be found on **Appendix 1**, and the product providers who provide such insurance products can be found here on **Appendix 2**. The specific types of general insurance that individual advisers can advise customers on may vary.

## **FEES, EXPENSES AND OTHER AMOUNTS PAYABLE**

We will charge a fee for the advice given to you and for implementing that advice. The amount of this fee will be disclosed either at the time we know the scope and nature of the advice required or when we provide our advice to you.

## **PREMIUM FUNDING**

Premium funding products enable you to pay the insurance premium over the term of your policy by instalments rather than as one amount. Premium funders charge interest and they take a power of attorney over your insurance policy, this means they have the ability to cancel your insurance policy if you fail to pay an instalment. If you enter into such an arrangement the premium funder will pay us a commission as a percentage of the amount they fund. The amount of this commission will be disclosed to you when we know the scope and nature of the advice required and whether you intend to utilise the services of a particular premium funder. Commission will be paid to us directly from the premium funder.

## **CONFLICTS OF INTEREST AND COMMISSIONS OR OTHER INCENTIVES**

GSI Insurance Partners will receive commission from the insurance companies on whose policies we give advice. If you decide to take out a policy, the insurer will pay us commission based on the premium that you pay.

We are a member of Steadfast NZ Limited (Steadfast). Steadfast supplies technology platforms, management, marketing, professional, technical, and buying benefits and services to support us in providing our financial advice services.

Steadfast has arrangements with insurance companies under which Steadfast receives a professional services fee of up to 1.5% of the premium paid for each policy arranged by us with those insurers. Steadfast may also receive a fee of 0.5% of any amount a customer has funded through a premium funder. These payments are used to operate Steadfast. We will receive a proportion of the professional services fee paid to Steadfast, being 35% of that fee. This will be paid to us by Steadfast at the end of each financial year.

A financial adviser may have a conflict of interest in circumstances where financial advice has been provided to two clients who later have a dispute, including in respect of liability. In this instance, the adviser would clearly disclose the conflict of interest to the clients and would refer one of these clients to another of our financial advisers for further advice and assistance.

We manage all conflicts of interest, ensuring our financial advisers prioritise your interests above their own, by following an advice process that ensures our recommendations are made on the basis of your needs and circumstances. All of our financial advisers complete training to understand and manage conflicts of interest. We maintain a register of conflicts of interests and any gifts and other incentives that we may receive. We review our compliance programme annually.
